

Project KSV/801
European Union Support to Vocational Education and Training (VET), Professional Requalification and occupation (“ESVET PRO”)

Funded by the European Union

CALL FOR EXPRESSION OF INTEREST - KSV/801 • 21 4356

Title: Short-Term Expert on development of the relevant legal framework for the establishment of the National Graduate Tracking system and the implementation of periodic Tracer Studies at the VET schools and Vocational Training Centres

Performance period: 64 w/days within a period of 15 months

In the context of the EU-funded Project ESVET PRO KSV/801 (EU Support to Vocational Education and Training (VET) Professional Requalification and Occupation), the Luxembourg development cooperation agency (LuxDev) as the implementing organization is launching a Call for Expression of interest for the recruitment of a Short-term Expert.

Background

The project aims to contribute to the development of a quality-based, inclusive, and accountable education and training system in line with the best international standards, through three results:

- planning and provision of vocational education is responsive to the needs of learners and employers in selected vocational schools
- graduate tracking system is in place in initial and continuous VET to ensure consistent evidence on graduate employability and skills relevance to labor market needs
- arrangements and provision of RPL at Kosovo level are in place and operational in the most needed economic sectors/occupations as a form of employment enhancement and lifelong learning opportunities for adult learners.

Responsibilities of the expert

The main objective of this assignment is to support the Ministry of Education, Science, Technology and Innovation in the development of the relevant legal framework for the establishment of the National Graduate Tracking System and periodical implementation of Tracer Studies (TS) in the VET sector through this system. Therefore, the expert position comprises of a series of tasks that will contribute to the development of the draft of the relevant bylaw and its implementation.

The expert needs to have a master's degree in Law, Political Science, Public Administration, Economics, Education Management or similar, as well demonstrated experience in the public and/or private sector assimilated to the scope of the assignment. A good understanding of the VET system in Kosovo and/or Policy Development and Research is also required along with fluency in both Albanian and English.

Please note that only applications coming from freelance applicants will be considered (applications from companies or NGO-s will be excluded).

Qualified candidates are invited to submit the following documentation corresponding to our requirements:

- Curriculum Vitae of the expert
- Local and/or international professional certification
- At least three professional references
