European Union Support to Vocational Education and Training (VET), Professional Requalification and occupation (“ESVET PRO”)

Funded by the European Union

NOTICE OF CALL FOR EXPRESSION OF INTEREST

Title: Anticipated Project staff employment and Short-Term expert contracts

In the context of the EU-funded Project ESVET PRO KSV/801 (EU Support to Vocational Education and Training (VET) Professional Requalification and Occupation), the Luxembourg Development Cooperation Agency (LuxDev) as the implementing organization in anticipation of upcoming opportunities in the project, is calling for resumes for experts for one year employment contract (renewable) and/or short-term expert contract.

The project aims to contribute to the development of a quality-based, inclusive, and accountable education and training system in line with the best international standards, through three results:

- planning and provision of vocational education is responsive to the needs of learners and employers in selected vocational schools
- graduate tracking system is in place in initial and continuous VET to ensure consistent evidence on graduate employability and skills relevance to labor market needs
- arrangements and provision of RPL at Kosovo level are in place and operational in the most needed economic sectors/occupations as a form of employment enhancement and lifelong learning opportunities for adult learners.

The Project seeks for experts with different professional backgrounds, oriented towards **project management, corporate governance, business development**, employment, skills and workforce, and social science.

Qualified candidates are invited to submit the following documentation corresponding to our requirements:

- Curriculum Vitae
- Motivation Letter
- Competency profile (link)

Please note that only applications received from individual candidates will be considered (applications from companies or NGO-s will be excluded).

The competency profile with the candidate requirements without the need to register as a drop-box user can be found on the link below:
